

## ONE SHOW • TWO LEGENDARY BANDS

## ONE UNFORGETTABLE CELEBRATION

- **Everyone Knows Every Song**

Every great concert leaves people with more than memories—it leaves them with a feeling. **BonJour** brings that feeling to life through a premium, high-energy celebration of arena rock's two most enduring catalogs. Fronted by a powerhouse female lead, this isn't a costumed imitation band—it is an expertly crafted concert experience where **the song is the star**.

- **100% Live Performance**

The concert opens with the timeless sound of **Journey**, taking audiences on an emotional ride through unforgettable anthems, heartfelt ballads and crowd-favorite sing-alongs before building to an iconic finale. As the final notes fade, the show shifts into high gear as BonJour launches into the arena-rock power of **Bon Jovi**, delivering high-energy anthems that keep audiences on their feet through the final encore.

- **No Backing Tracks**

Our goal isn't to have audiences leave saying,

*"Look what they can play."*

- **Live Four-Part Harmonies**

Our goal is for them to say,

*"I remember this!"*

- **90- or 120-Minute Concert Experience**

Whether performing in casinos, theaters, festivals or corporate events, BonJour creates an atmosphere where audiences don't simply watch the show—they become part of it.

That is the BonJour Experience.
